Subject: Serial Number Plate Locations

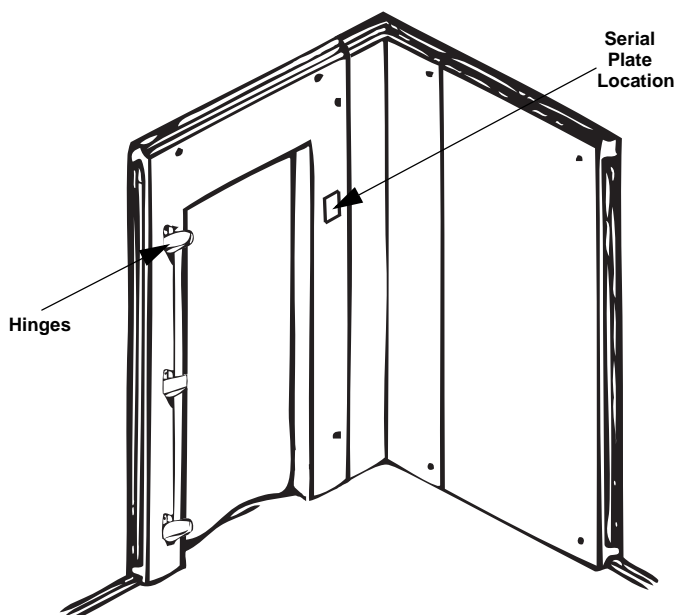

These numbers are required for warranty service as well as when requesting information from your local Manitowoc distributor or Manitowoc Foodservice. The model and serial number are listed on the MODEL/ SERIAL NUMBER PLATE affixed to the Walk-in Box and Refrigeration Unit (there are separate serial numbers for each).

KOLPAK WALK-IN BOX:

Location: The serial plate is located inside the Kolpak box on the door frame opposite of the door hinges.

Serial Number Configurations:

1. *Older units:* Two numbers, One letter, Four numbers
 - Example: 08D1428
2. *Newer units:* Nine numbers, always beginning with a "4"
 - Example: 410002749
3. *Units manufactured at Harford for Kolpak:* Always begin with "WI", followed by Six numbers
 - Example: WI-407125
